2026 Product Plan

1 Overview

This report describes the product plan for the coming year. It covers the goals, the main projects and the budget, and it explains how progress will be measured every quarter.

本报告介绍明年的产品规划，包括目标、主要项目和预算，并说明每个季度如何衡量进展。所有数据均为示例。

Key terms are **bold** and notes are *italic.*

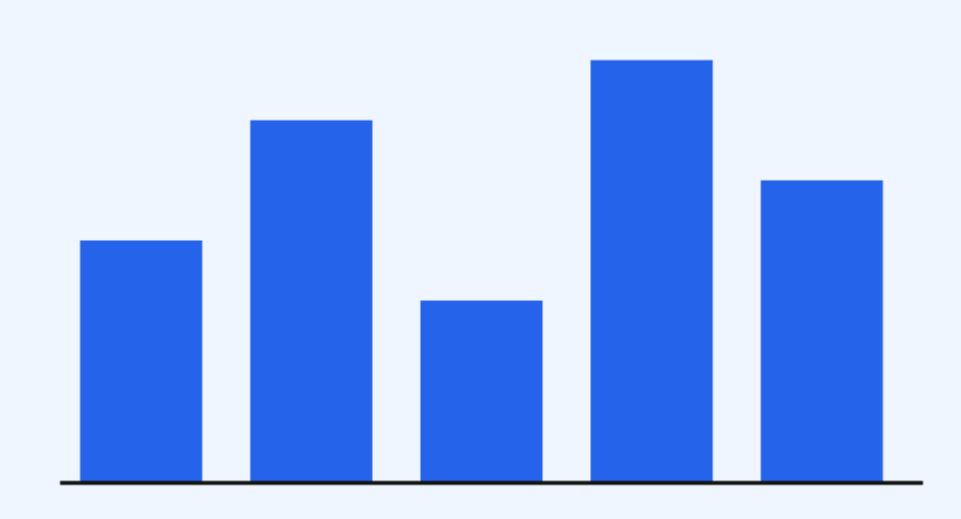
2 Goals

- Grow monthly active users to two million.
- Ship the mobile app on iOS and Android.
- Cut page load time in half.

1. Research the market
2. Build the prototype
3. Launch the beta

3 Results

The chart below shows the number of sign-ups per quarter. Growth was strongest in the fourth quarter.



3.1 Budget

Item	Q1	Q2	Total
Design	12,000	8,000	20,000
Engineering	40,000	45,000	85,000
Marketing	5,000	15,000	20,000

4 Next steps

The team will review this plan at the end of every quarter and update the budget when the market changes. Questions can be sent to the planning office.
